

Petition in support of a National Local Food Day

We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:

WHEREAS strengthening the connection between consumers and producers of Canadian food contributes to our nation’s social, environmental and economic well-being;

WHEREAS supporting local farmers contributes to a sustainable Canadian agricultural industry;

AND WHEREAS the people of Canada will benefit from a national local food day to celebrate food as one of the most elemental characteristics of all of the cultures that populate this nation;

THEREFORE we call on the Government of Canada to support the NDP’s Bill An Act to establish National Local Food Day - to designate the Friday before Thanksgiving each year as National Local Food Day.
