PETITION TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

Petition concerning the service reduction to Canada Post

We, the undersigned residents of Canada, recognize the following:

- THAT cuts to door-to-door service must be reinstate in full as the Prime Minister of Canada promised during the last election;
- THAT seniors, persons living with disabilities, self-employed and small businesses suffer the most from these cuts ;
- THAT the current public review is an opportunity to expand Canada Post's service offerings by providing banking services, among others.
- THAT Canada Post is an essential public service.

THEREFORE, we urge the government of Canada to reinstate Canada Post door-to-door delivery in all communities and explore other avenues to modernize the crown corporation business plan.
