

Petition in support of M-61

We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:

WHEREAS recent Veterans have a higher prevalence of mental health problems than the general Canadian population, earlier-era Veterans, and the serving population;

WHEREAS first responders are twice as likely than the average Canadian to suffer from PTSD;

AND WHEREAS Veterans and first responders currently lack adequate governmental services to face mental health issues;

THEREFORE THEREFORE we call on the Government of Canada to support Irene Mathyssen’s motion M-61 which commits the Government to prioritizing and supporting the mental health of Veterans and first responders.
