## PETITION TO THE HOUSE OF COMMONS

Whereas in the previous parliament, the government changed the rules regarding electoral campaigns to allow for the ability to spend more money based on the length of an electoral period,

And whereas increased private spending in an election campaign largely benefits the richest parties to the detriment of others

And whereas a vibrant democracy should not induce voter fatigue by holding marathon election campaigns just to benefit specific political parties

Therefore, we, the undersigned, Residents of Canada call upon the Government of Canada to pass legislation restricting the electoral period to a maximum of 46 days.
