

PETITION TO OPPOSE THE ABOLITION OF THE TAX CREDIT ON PUBLIC TRANSIT

We, the undersigned, citizens of Canada, draw the attention of the House of Commons to the following:

Whereas: the transit tax credit encourages the use of public transit, which contributes to reducing greenhouse gas emissions;

Whereas: the transit tax credit reduces the travel costs of Canadian families and offers a tax refund of up to \$ 200 annually;

Whereas: the federal government could have ended tax loopholes that benefit the richest 1%, instead of abolishing a tax credit that benefits all;

Therefore, we, the undersigned, citizens of Canada, request the Government of Canada: to maintain the tax credit for public transit.
