

Petition to the Government of Canada to cease taxation of breastfeeding & basic baby products.

We the undersigned residents of Canada acknowledge:

- **THAT** certain basic baby products (diapers, baby bottles, nipples, disposable bottle liners) and breastfeeding products (nursing pads, breast pumps, breast milk storage bags, are essential to the lives of Canadians;
- **THAT** families, as a group, face a disproportionate financial burden;
- **THAT** paying GST on essential baby products contributes to the financial burden on Canadian households.

THEREFORE we request that the Government of Canada extend a 0% GST rate to breastfeeding and basic baby products.
