

Petition for a \$15/hour federal minimum wage

We, the undersigned residents of Canada, draw the attention of the Government of Canada to the following:

THAT Canadian families are working harder than ever but falling further behind;

THAT the last Liberal government eliminated the minimum wage for federally regulated workers in 1996, and nothing has been done to boost wages since;

THAT a federal minimum wage would help fight growing income inequality and provide leadership to increase standards for all workers.

THEREFORE, we call on the Government of Canada to reinstate the federal minimum wage and bring it up to \$15 an hour.
